### Students of the Week

### 100% Weekly Attendance and Uniform

Dear Parents and Carers,

I hope you are all travelling well despite the incessant rain and the challenges it poses. The school itself is ticking along well with no real issues caused by the weather. We anticipate remaining open, even if the road to Lake is closed in coming weeks.

In the event of the road closure, I will be combining all students in one class and taking them myself. Mrs Brett and Miss Sally will be here as always and Mrs Zara Norris from Lake Cargelligo Central School will also be here due to the flooding. Rest assured we will find ways to manage and continue the great learning that takes place at EWPS.

At the moment Euabalong is still accessible for the school bus. We will let families know if this situation changes.

Our students participated in RIEN debating against other schools recently and while they did not win, they performed very well. We are very proud of their efforts. Well done to our debating team Layla, Macy, Riley and Kayla.

As you will be aware, the major excursion to Ballarat has been postponed for safety reasons. Flooding in Victoria and other places is too unpredictable for us to send students there. While the organising school is hoping to reschedule this term, I am not expecting it to be possible this year. We will most likely need to try again in 2023. Our apologies to the disappointed students and families.

Kindergarten transition has now begun with three new Kinder students attending this week. They all had a great time and really enjoyed the day. It is lovely to have so many new faces and we look forward to the rest of the program. Dates are in the calendar.

Have a great weekend,  
Bruce Robinson,  
Principal.
